Full-Time Lifeguard Position
Employment Opportunity
SALARY & BENEFITS**

\$18.50 Hourly rate (\$38,480 base) with full-time, year-round employment, hourly overtime rates, accrued PTO and Sick leave benefits, sponsored group health insurance, 401a retirement plan, & other benefits.

The South Walton Fire District is now accepting applicants for nine (9) fulltime, year-round Beach Safety Lifeguard positions.

South Walton's beaches are nestled along the Emerald Coast in the Florida Panhandle. This area runs from the Okaloosa/Walton County Line on the west, to the Walton/ Bay County Line on the east, and from the Choctawhatchee Bay (Intracoastal Waterway) north, to the Gulf of Mexico on the south. The South Walton Fire District offers its residents a full complement of firefighting, Emergency Medical Services, including ambulance service, seasonal lifeguards, 911 call taking, public fire education, and prevention duties for an area of 84 square miles within Walton County, Florida. The Department's 200 employees are assigned to support five fire stations and fifteen lifeguard towers located throughout the District. The position of Beach Safety Full Time Lifeguard is a highly responsible Beach Safety / Lifeguard position. Duties may include implementing and monitoring training, logistic support and participation in surf rescue emergency response activities as required.

Position Summary:

The position of Beach Safety Full-time Lifeguard is a highly responsible frontline Beach Safety / Lifeguard position. Duties include coordinating, implementing, and monitoring training, logistic support, and participation in surf rescue emergency response activities as required.

Illustrative Duties:

- Serves as frontline personnel who patrol the beach area monitoring beach patron education and safety as well as conducting emergency water rescue and medical responses;
- Assists in supervising seasonal personnel who patrol the beach area monitoring beach patron education and safety;
- Assists in execution of training programs for employees;
- Assists Beach Safety administrative staff in assigning work to subordinate personnel.
- Makes daily inspections of the beach conditions, rescue equipment and personnel.
- Reports maintenance needs on beach safety equipment, as well as beach environment facilities such as walkways, signs and in the restrooms.
- Performs minor maintenance tasks.
- Fosters and promotes positive beach experience for beach patrons.
- Assists in development and delivery of educational programs.
- Submits, reviews emergency & medical treatment reports, and maintains daily activity reports on weather and beach conditions.
- Prepares reports on daily activities for management review.
- Recommends changes in methods and procedures to ensure effectiveness and efficiency, as well as maintaining a casual recreation atmosphere.
- Oversees compliance to minimum standards for environmental and natural resource protection.
- Performs other related duties as required.

Knowledge Required for the Position:

- Certification to execute all USLA Open Water Manual material;
- Certification of CPR, and First Responder level first aid;

- Ability to extend a hospitable attitude toward visitors and customers on the beach assuring they will have a safe and enjoyable stay and want to return for future visits;
- Ability to exercise tact, firmness and good judgment in enforcing rules and regulations;
- Ability to react quickly and calmly in emergencies;
- Ability to minimize and contain dangerous situations;
- Ability to recognize emergencies and to take effective action;
- Ability to supervise subordinate personnel engaged in aquatic rescue and law enforcement functions.

Supervisory Controls:

- Reports to the Beach Safety Officers, Lieutenants, Beach Safety Director and other SWFD administrative staff as designated by the Fire Chief.

Physical Demands:

Typically required to run, swim, paddle and walk long distances; stand and sit for long periods; climb or balance; stoop, kneel, bend, crouch or crawl; reach with hands and arms; talk and hear both in person from close and long distances and by phone or radio; use hands to finger, handle, feel or operate lifesaving equipment; and safely drive emergency vehicles. The employee regularly lifts, pushes or pulls persons or equipment over 100 pounds.

Work Environment:

The work is typically performed on the beach. The employee is exposed to direct sunshine, wind, salt air & saltwater and inclement weather including rain, heat, humidity and cold. Exposure to adverse ocean conditions including water temperatures as low as fifty degrees.

Work requires analysis and judgment and concentration in accomplishing diversified duties, in particular, the monitoring of large crowds of beach patrons in the aquatic environment. Work requires the exercise of independent thinking within the limits of guidelines, policies, standards, and precedents. Requires constant SWFD Fire Radio monitoring while on duty and ability to respond to afterhours incidents.

Significant Overtime and mandatory shifts are required during the busy season.

NOTE: Reasonable accommodation considerations will be made for otherwise qualified individuals with a disability.

Supervisory and Management Responsibility:

Assists with Beach Safety Command Staff's supervision unit of assigned seasonal lifeguards.

Minimum Qualifications:

- Must have or obtain within 30 days, a valid Florida driver's license with acceptable driving record;
- Current CPR certification as accepted by Florida Department of Health;
- USLA certification and a minimum of 300 hours as an open-water lifeguard; a combination of additional training and/or experience may be considered;
- USLA Personal Rescue Watercraft Certification, or within 1 month of taking position, or as soon as the PRWC Training Academy is held;
- Florida EMT Basic Certification within SWFD determined probationary period of taking position, and/or at first available opportunity as deemed acceptable by SWFD;
- Must pass advanced physical testing requirements set by Beach Safety staff;
- Must be a non-smoking/non-tobacco using person, both on and off the job, at the time of employment and maintain same non-smoking and non-use throughout the term of employment;
- Must successfully pass the Fire District's medical/physical, drug screen and background check requirements as a condition of employment.

DURING OCCASIONS OF LOCAL EMERGENCIES, THIS POSITION MAY BE REQUIRED TO REPORT TO PERFORM EMERGENCY TASKS, WHICH MAY RESULT

IN EXTENDED WORK HOURS, AS WELL AS EXTENDED PERIODS OF TIME AWAY FROM FAMILY MEMBERS.
